[1] "Top Picks" are calculated by eHealth's proprietary PlanPrescriber technology. By using a customer's profile information, and data attributes they've provided through the website or an eHealth licensed insurance agent, customers can see up to three plan recommendations. A "Top Pick" is a plan that meets the most criteria established by the customer while a "Great Pick" meets slightly less criteria.

MatchFinder™ by eHealth uses eHealth's proprietary plan prescriber technology using a customer's profile data. Based on this information plan recommendations may be shown.
